

Welcoming New Members

As a new resident in Harvey Lakeland Estates you may have questions about the local community and the Harvey Lakeland Commonland Owners Association (HLCOA).

Members of the Welcome Team will reach out to meet with you to help you settle in and get comfortable with your new surroundings.

The Team will provide information about local services including;

- **Health Care:** Buckhorn Regional Health Centre, Community Care, and pharmacy; Peterborough Regional Health Centre and Public Health Unit
- **Government Services:** municipal office, post office, library and transfer station
- **Community Services:** community centre and tourist centre
- **Schools:** public school and day care
- **Places of Worship:** Anglican Church, United Church, Catholic Church

The Team can also help with questions you may have about information provided on this website, including the Association's policies and your privileges and responsibilities as a Member.

You may also contact a member of the **Board of Directors** with any questions.
