

Annual Picnic

Each summer the Board of Directors hosts a picnic for Members and their families. A small fee is charged to offset the costs.

The event is usually held the second Saturday in July in the Sandy Lake parking lot at 71 Sandy Lake Circle.

Friends - old and new - enjoy reminiscing and socializing by the scenic and tranquil lakeside.

Activities are provided for grandkids, kids, and “kids at heart”. Swimming and water sports are enjoyed by some and offer relief from the heat.

Live music is often provided by our talented, in-house HLCOA musicians.

And then the food! Burgers, sausages and hot dogs cooked to perfection with a variety of salads and abundance of desserts.

The day is perfectly planned and flawlessly executed by a team of volunteers who contribute their time, skills and equipment to make the event a success every year.

Please contact the **Vice President** if you would like to join the team.
